## Greater productivity with greater economy doesn't have to be a stretch.

It's where the action is. And, it's quite often where the success or failure of a foodservice organization is determined. So, when it comes to your food prep area, you need to create a system that is designed for productivity and creativity, convenience and cleanliness, durability and versatility.

While our competitors offer fabricated systems that are neither adaptable nor adjustable to your needs, SPG offers you a better solution. In fact, we offer you more and better choices than anyone, including:

- Wire workstations that are the strongest in their class—our 60" shelves are rated to support 1,250 lbs.
- Workstations that come in our exclusive Gold Bond® and Grey Bond® finishes that fight corrosion and feature a powerful antimicrobial agent
- Our Freestyle™ cantilever prep station eliminates posts and can be expanded side-by-side to add components and increase productivity
- SPG offers an industry-leading selection of stainless steel work and prep stations, including our Adjustable Ergonomic Table that raises and lowers the surface height to match the size of your individual staff members and the task at hand
- Plus, equipment stands, wall shelves, cabinets, floor troughs, sinks and essential accessories to create the ideal food prep operation

## Our stainless steel hand sinks can help you really clean up.

Because cleanliness and sanitation are more important than ever in food preparation, SPG offers you a wide array of hand sinks.

- Choose from Standard Series 20 Gauge deep drawn bowl or 16 Gauge Type 300 stainless steel
- Sinks include faucets, basket drains, and wall brackets
- Styles include standard hand sinks, skirted sinks, models with electronic eye faucets, splash on right, left or both sides, soap and towel dispensers above or below
- A wide array of accessories is also available

# When it comes to foodservice equipment, no one offers you a bigger menu than SPG.

You can always Expect More from SPG. With a tradition for manufacturing excellence that goes back more than half a century, SPG not only brings you the most comprehensive lineup of storage equipment, but also the best one.

Our lines include the finest names in the storage industry: AMCO, Freestyle, ISS, Kelmax, LPI and Universal Stainless. And while each offers a unique array of equipment, they all share certain traits — like quality, value, durability, efficiency and profitability.

In addition to food prep solutions, SPG can provide a complete selection of storage products for every foodservice application:

Bakery

Bar Area

Cooler/  
Freezer

Dish Area

Drive-Thru

Dry Storage

Today, your customers expect more from you than ever before, that's why you can always Expect More from SPG. So, if you want to save time, effort and expense, all while increasing profits and productivity, put SPG to work for you.
