Shipped knocked down. Our Packaging Plus Program prevents shipping damages

Locking System: (Std.) SAF-T Lock

Positive SAF-T lock with release secures the ladder when an individual steps on the first step triggering the release bar. Caster carriage retracts allowing metal reinforced rubber-tipped feet to grip floor. Step on U-Tube bar and ladder becomes mobile on easy-roll wheels.

Step Treads: G-Strut

Safety grating for surest footing when area is slippery or not clean

G-Perf

Perforated steel tread for normal use where liquids are not present.
